BUILDING EMPTIED IN LESS THAN TEN MINUTES

Alarm of Fire Given at Department of Commerce for Drill Purposes.

The cry of fire went over the telephone system of the Department of Commerce this morning at 10 o'clock, sharp the telephone messages began going over the building, and a few seconds later the first of the employes appeared on the street. To and just eight and one-half minutes

It is charged that the three men conspiracy.

A Russian publication has just put out its one hundredth issue after many difficulties. Twenty-five of the previous issues were confiscated for seditious Cave, a Washington insurance man. Mr. Cave and witnesses appeared be-

later practically the entire building, of eleven stories, had been emptied of its 10,000 persons. It was not a real fire, but a fire drill, the first the department has had since it has been in its new building, but there are to be a good many of them in the near future, and the employes are not going to be warned ahead of time as they were today.

According to the prearranged plan, at 10 o'clock sharn the telephone operator just one and one-half minutes. The building has no fire alarm signal system.
